No. L-1/44/2010-CERC

Date of Order: 13.7.2015

In the matter of

Approval of slab rates for POC Charges and losses for the period May and June 2015, under the Central Electricity Regulatory Commission (Sharing of Inter State Transmission Charges and Losses) Regulations, 2010 and amendments thereto.

And

In the matter of

National Load Despatch Centre

..... Respondent

CORRIGENDUM

The Central Electricity Regulatory Commission had issued order dated 26.6.2015 approving slab rates for PoC Charges towards 'LTA/MTOA and STOA', Reliability Support Charge Rate, HVDC Charge Rate as well as slabs for PoC losses.

2. After the issue of slab rates, it was noticed that an error in the data input has crept in with regard to 'setting' of HVDC Mundra- Mohindergarh transmission line while calculating the slab rates which was rectified by the Implementing Agency vide its Letter no. POSOCO/Trans.Pricing/CERC dated 7.7.2015 by submitting the revised slab rates. This has necessitated revision of slab rates approved vide our Order dated 26.6.2015.

3. Accordingly, paras 9 and 10 of the order dated 26.6.2015 has been revised as under:-

"9. We approve the following slab rates for demand zone (for withdrawal DICs)

and injection zone (for injection DICs having LTA to target region) towards 'LTA and MTOA' submitted by the Implementing Agency as the PoC Charges for the two month period from 1.5.2015 to 30.6.2015:-

PoC Slab	(₹/ MW/ Month)
I	305438
II	272649
III	239859
IV	207069
V	174279
VI	141489
VII	108699
VIII	75909
IX	43119

10. We approve the following slab rates for injection zone and demand zone (injection DICs and withdrawal DICs) towards STOA submitted by the Implementing Agency as the PoC Charges for the two month period from 1.5.2015 to 30.6.2015:-

PoC Slab	(paise/ unit)
I	22.27
II	19.78
III	17.28
IV	14.79
V	12.29
VI	9.80
VII	7.30
VIII	4.81
IX	2.31

4. The Reliability Support Charge Rate for STOA is approved as 3.15 paise/kwh.
