CORRIGENDUM

The Central Electricity Regulatory Commission had issued order dated 14.7.2015 approving slab rates for PoC Charges towards 'LTA/MTOA and STOA', Reliability Support Charge Rate, HVDC Charge Rate as well as slabs for PoC losses for the Application Period May – June, 2015.

2. It has come to our notice that an error in the calculation of PoC Slabs rate has crept in with regard to the installed capacity of NTECL VALLUR STPS which was taken as 1000 MW in place of 1500 MW in calculation of PoC Slab Rates for May-June, 2015. NLDC, the Implementation Agency had not considered the 3rd unit (500 MW) of NTECL

VALLUR STPS for determination of POC slab rate for May – June, 2015.

3. Accordingly, Annexure- I of the order dated 14.7.2015 in which PoC slabs Rates, Reliability Support Charges Rates and HVDC charges rates of Southern Region have been revised. The revised Annexure-I is annexed to this order.
