Shri M.M. Mondal, PGCIL
Shri S.K. Venkatesan, PGCIL
Ms. Pratibha Raje Parmar, PGCIL

Record of Proceedings

Learned counsel for the petitioner submitted that the time over run in signing the loan agreement with World Bank in March, 2008, after the Investment Approval in October, 2006 has been condoned. However, the delay in finalisation of contracts after approval of World Bank due to various requirements has not been condoned. Learned counsel further submitted that the reasons for time over-run are beyond the petitioner's control and requested to condone the complete time over-run of 43 months in commissioning of the instant asset.

2. The Commission observed that considering the vast experience of the petitioner in dealing with the World Bank, the petitioner should have taken into consideration the time taken for international bidding, grant of loan and award of contracts while planning

for the instant assets. In response, learned counsel submitted that in the instant case, the High Tension Low Sag (HTLS) conductor was introduced and used for the first time in India and hence it took time for award of contracts.

3. The Commission directed the petitioner to submit the details of various loans obtained from the World Bank during the period 2006 to 2008 for its projects, the time taken for bidding process and the details of completion time on affidavit with a copy to the respondents by 13.2.2016. The Commission also observed that if the above said information is not filed within the specified time, the matter shall be disposed on the basis of the information record.

4. The Commission reserved the order in the review petition.
