Ms. Parichita Chodhwary, Advocate, PGCIL

Shri S.S. Raju, PGCIL

Shri S.S. Venkatesan, PGCIL

For Respondents : None

## **Order**

The instant review petition has been filed by Delhi Transco Limited ('DTL') seeking review of the order dated 29.6.2018 in Petition No. 175/TT/2017. In order dated 29.6.2018, the Commission determined tariff of two inter-State transmission lines i.e. Asset-1: 400 kV D/C Mandaula Bawana and Asset-2: 400 kV D/C Bamnauli-Ballabhgarh (hereinafter referred to as "transmission assets") for the period 2014-19 in accordance with Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2014 (hereinafter referred to as "2014 Tariff Regulations"). The Review

Petitioner has also filed I.A. No.84/IA/2018 seeking condonation of delay of 18 days in filing the review petition.

- 2. The Commission in the impugned order observed that the Review Petitioner did not submit the audited capital cost certificate in case of the instant assets and accordingly determined the tariff of the instant transmission assets as per the methodology evolved by the Commission in orders dated 19.12.2017 in Petition Nos. 88/TT/2017, 173/TT/2016 and 168/TT/2016.
- 3. Aggrieved by the said order dated 29.6.2018 as well as the methodology evolved by the Commission for allowing transmission charges of the inter-State transmission lines connecting two States in orders dated 19.12.2017, the Review Petitioner has filed the instant review petition. The Review Petitioner has sought review of the impugned order on the following grounds:
  - a. The Review Petitioner has submitted the audited acquisition cost of the instant transmission assets in the original petition. Hence, the methodology and principle evolved for determining the tariff of the natural ISTS line that are more than 25 years old and lines that do not have relevant details of the capital cost, funding etc. is not applicable to the instant transmission assets of the Review Petitioner. Determining the tariff on the basis of the said methodology when the Review Petitioner has submitted the audited acquisition cost is an apparent error.
  - b. Despite submission of all relevant details, the Commission reduced the weighted average rate of interest on loan. The fact is the Review Petitioner is

drawing loans from State Government and commercial banks on overall

requirement basis.

c. Income Tax ought to have been allowed by grossing up the Return on Equity as

provided for under Regulation 25 of 2014 Tariff Regulations.

4. The Interlocutory Application No. 84/IA/2018 accompanying the review petition for

condonation of delay of 18 days in filing the review petition is allowed for the reasons

mentioned in the application and the delay of 18 days in filing the review petition is

condoned. IA No. 84/IA/2018 is accordingly disposed of.

5. Heard the learned counsel for the Review Petitioner and perused the record.

Admit and issue notice to the respondents.

6. The Review Petitioner is directed to serve a copy of the review petition on the

respondents by 8.2.2019. The respondents shall file their reply by 28.2.2019, with

advance copy to the Review Petitioner, who shall file its rejoinder, if any, by 7.3.2019.

The parties shall ensure completion of pleadings within the due date as mentioned

above.

7. Matter shall be listed for hearing in due course for which separate notices shall

be issued to the parties.
