Record of Proceedings

Case was called out for virtual hearing.

2. During the hearing, the learned counsel for the Petitioner made detailed oral submissions in the matter. He also submitted that the Petitioner may be permitted to file the DSM data as directed by the Commission, which was permitted.

3. The learned counsel for the Respondents BRPL and Respondent MPPMCL and the representative of the Respondent UPPCL referred to their replies and made detailed oral submissions in the matter.

4. The learned counsel for the Respondent PSPCL made detailed submissions in the matter. He also submitted that the respondent may be permitted to file additional affidavit, to place on record, certain documents/orders, after the Commission's order dated 4.2.2020 in Petition No.184/MP/2019, which was permitted.

5. The Commission after hearing the parties, directed the Petitioner to file the following additional information, by **15.9.2022**, after serving copy to the Respondents:

(a) Design Energy calculation (in MS excel) as approved by CEA and its correlation with actual flow.

(b) The day wise maximum possible generation based on actual inflow available, actual generation, shortfall in generation on account of factors attributable to Petitioner, shortfall in generation on account of factors not attributable to petitioner along with remarks, duration of planned outage, duration of forced outage, energy accounted for DSM and the revenue earned from DSM for such energy during 2018-19.

(c) The year wise actual total energy generated from 2014-15 to 2017-18.

6. The Respondents shall file their replies by **23.9.2022** after serving a copy to the Petitioner, who shall file its rejoinder, if any, by **30.9.2022**.

6. Subject to the above, order in the petition was reserved.

By order of the Commission
