INTERIM ORDER

The Review Petitioner, NLCIL has filed this review petition against the Commission's order dated 24.3.2022 and Corrigendum order dated 26.4.2022 in Petition No.452/MP/2019 (in short 'the impugned orders') pertaining to the revision of Lignite Transfer Price of NLCIL Mines for the period 2014-19, on account of truing-up of additional capital expenditure, O&M Expenses, Removal of Over burden, consequent Depreciation and Return on Equity as per the Ministry of Coal, Government of India guidelines dated 2.1.2015.

- 2. Aggrieved by the impugned orders dated 24.3.2022/26.4.2022, the Review Petitioner has filed this Review Petition on the ground that there is error apparent on the face of the record on the following issues:
 - (a) Disallowance of additional capitalization in respect of 'New Assets' under heads of SI no. 6 to SI no. 9 (para 27);
 - (b) O&M Expenses;
 - (i) Non-executive Wage revision impact for the period 2012-14 was not considered in trued up order for 2009- 14 and 2013-14 trued up price has been considered as the base rate for 2014-19 truing up (para 35).
 - (ii) Imposition of escalation rate ceiling at 11.5% year on year mine wise contrary to the stipulation of MOC guidelines with respect to pooled mines for the period 2014-19 (para 39).
 - (c) Disallowance of Stores for the purpose of interest on working capital instead allowed stores and spares. Also, the methodology adopted for arriving the Mines portion of spares is not in line with the actual consumption Stores & Spares in Mines (para 58).
 - (d) Applicability of Surcharge/Interest on truing up from NLCIL to Beneficiary.
- 3. The Review Petition was heard on 'admission' through virtual conferencing on 24.6.2022.
- 4. During the hearing, the learned counsel for the Review Petitioner submitted that there has been a delay of 16 days in filing the Review Petition, considering the original order dated 24.3.2022, on account of the delay in collection of data/information and intervening holidays. He however, submitted that there is no delay in filing the Review Petition,

considering the corrigendum order dated 26.4.2022 and accordingly prayed that the delay may be condoned. The learned counsel made detailed oral submissions on the issues raised in the Review Petition and also referred to the clarification letter dated 9.6.2022 issued by the Ministry of Coal, GOI. He accordingly prayed that the Review Petition may be admitted on the issues raised above, as there are errors apparent on the face of the record.

- 5. The learned counsel for the Respondent TANGEDCO appeared and raised preliminary objection on the 'maintainability' of the Review Petition. He also submitted that clarification letter of MOC, GOI dated 9.6.2022, issued after the impugned order dated 24.3.2022, cannot be considered, as the same is based on a clarification sought by the Review Petitioner (against the impugned order dated 24.3.2022). The learned counsel however, prayed that the Respondent TANGEDCO may be permitted to file its reply on the 'maintainability 'of the Review Petition.
- 6. The learned counsel for the Review Petitioner submitted that the Review Petitioner may also be granted time to file its rejoinder to the said reply of the Respondent TANGEDCO.
- 7. The Commission, after hearing the parties, permitted the Respondent, TANGEDCO to file its reply 'on maintainability', on or before 13.7.2022, after serving copy to the Review Petitioner, who shall file its rejoinder, if any, by 22.7.2022. The parties shall ensure the completion of pleadings within the due date and no extension of time shall be granted for any reason.
- 8. Review Petition shall be listed for hearing in due course for which separate notice will be issue to the parties.
