- 2. Aggrieved by the decision of the Commission, NRSS-XXIX Transmission Limited, East-North Interconnection Co. Ltd., Raipur-Rajnandgaon-Warora Transmission Ltd., NER-II Transmission Ltd., Odisha Generation Phase II Transmission Ltd., Khargone Transmission Ltd. approached in the Appellate Tribunal for Electricity (APTEL). APTEL vide judgment dated 5.4.2022 in Original Petition No.1 of 2022 & IA Nos. 21&296 of 2022, Original Petition No. 2 of 2022 & IA Nos. 19 &298 of 2022, Appeal No. 116 of 2022 (DFR No. 40 of 2022), Appeal No. 74 of 2022, Appeal No. 75 of 2022 and Appeal No. 76 of 2022, APTEL directed as under:

[&]quot;72. For the foregoing reasons,..... The said orders are thus set aside. In the result, the proceedings in claim cases (in which impugned orders were passed – and that includes the orders dated 04.02.2022 in the Original Petitions) remain inchoate. The Central Commission is duty-bound to consider each of them on the merits of the claims and adjudicate in accordance with law on the dispute(s) in proper exercise of its jurisdiction under Section 79 of the Electricity Act. It is directed to proceed to do so expeditiously.

- 74. Such that the affected parties do not suffer on account of faulty approach of adjudicatory authority, and this tribunal is not flooded by appeals raising identical issues against such other decisions as above, rendered in similar fact-situation by the Central Commission, it would be appropriate that it be asked to properly and fully perform its statutory function by exercise of its review jurisdiction, suo motu, in all similarly- placed claims for compensation founded on change in law events where similar decisions have been taken by the Central Commission after coming into force of CIL Rules on 22.10.2021 and, if such decisions are found running afoul of the view taken by this tribunal by this judgment, to vacate the same and restore the concerned Claim cases to its file and complete the process of adjudication thereupon in accordance with law. Needful action in above nature shall be initiated by the Central Commission within four weeks of this judgment. Of course, review can be undertaken even at the instance of the parties in question should they approach the Commission on their own. We may add that these directions are without prejudice to the remedy, if any, already pursued or intended to be pursued by the concerned parties vis-à-vis other such cases."
- 3. Pursuant to direction of the APTEL, the matters were listed for hearing on 9.5.2022 and 17.5.2022. After hearing the suggestions put forth by the learned senior counsels and the learned counsels for the parties, the Commission is of the view that as per the directions of the APTEL in judgment dated 5.4.2022 in OP No. 1 of 2022 and Ors., in particular at paragraph 74, *suo-motu* order(s) are required to be issued to restore the petitions which were disposed by the Commission by applying the Change in Law Rules but which were not challenged before the APTEL. However, for the Petitions where the orders of the Commission have been set aside by the APTEL in terms of para 72 of the judgment, the petitions shall be restored on the records of the Commission for further necessary action.
- 4. Accordingly, as per the direction of The APTEL, in exercise of our *suo-motu* power of review, we hereby restore the Petitions mentioned in paragraph 1 above, on the record of the Commission at same stages, as were existing prior to the disposal of petitions. The parties are directed to complete the pleading in the Petitions which have been admitted,

within one month. The parties are also directed to file the information/subsequent development (within 15 days) if any.

- 5. The Petitions shall be listed for hearing in due course after completion of pleadings, for which notices will be issued separately.
- 6. The Petition No. 8/SM/2022 is disposed of in terms of the above.
