**Record of Proceedings**

At the outset, the representative of the Respondent, PFCCL, prayed for additional time for filing the compliance affidavit in terms of the directions issued vide Record of Proceedings dated 2.4.2025 in Petition Nos. 75/AT/2025 and 78/TL/2025. He submitted that vide Record of Proceedings for the hearing dated 2.4.2025, the Commission had directed PFCCL to have the capital cost of the Project re-assessed by the Cost Committee in view of the Govt. of Gujarat's revised Right of Way (RoW) Guidelines dated 1.3.2024, and to indicate the consequential increase in project cost and the levelized transmission charges calculated as per the prevailing norms, to enable a meaningful examination of the reasonableness of the discovered transmission charges in Petition No. 75/AT/2025. He further submitted that, as per

the prescribed process, prior to convening the Cost Committee meeting, a Bid Evaluation Committee (BEC) meeting is required to be held, and based on the direction of the BEC, the Cost Committee will subsequently re-assess the cost of the Project. Since convening both the BEC and Cost Committee meetings involves coordination among various members, it may take additional time, and accordingly, he requested an extension of time for filing the compliance affidavit.

2. Considering the submissions made by the representative of PFCCL, the Commission permitted PFCCL to file its compliance affidavit within two weeks.

3. The Petitions will be listed for further hearing on **15.5.2025**.
